

Intent/vision statement for English:

Children to develop an appreciation of the richness of the English language through reading and learn how to explore for information and hidden meanings: to expand their horizons through the imaginations of authors and poets

Children to develop the skills and confidence to express themselves through the written form in styles that communicate clearly to different audiences and thereby 'soar on wings like eagles'.

Version 2.

Children are empowered by developing a lifelong love of the spoken and written word. They are enabled to communicate their creativity, ideas and emotions through the exploration of the richness of literature, and thereby 'soar on wings like eagles'.
